PW315 WIDE-ANGLE WEBCAM

Connect, collaborate, and present with ease

HYPER-FAST FRAME RATE FOR SMOOTHEST INTERACTION

The PW315 has the smoothest 60 fps playback you can ask for from a webcam, and a nice wide angle to go with it. An excellent choice for a face-cam or a secondary overview webcam to get more unique angles for your stream. Perfect for streaming, presentations, online teaching, and virtual meetings.

Ultra-wide 95° field-of-view that fits more background or people into the frame. Digital pan, tilt, and zoom offers the option of focusing in on important details.
