

The MIC Mobile Instructor Cart

The classroom dynamic is changing, and Bretford is here to assist.

**Introducing the MIC - Mobile Instructor Cart...
the perfect teachers assistant!**

The MIC has a smart design with thoughtful features that equip educators to easily move from one classroom to the next with everything they need on-board. Features Include...

- Three shelves to hold all your technology and instructional tools with an additional pull-out shelf for extra space. Offered in a cabinet and open cart version.
- Cup holders to keep your favorite beverage secure and can also double as storage for writing utensils.
- Rubberized non-slip grip padding on top shelf helps keep items in place.
- Power On-Board featuring a 6 outlet power strip with 20' cord ensures you have power where you need it for all your technology.
- Height easily adjusts to accommodate any user while the locking casters keep the MIC in place.

The MIC is available with or without cabinet enclosure.
