SPEC SHEET

# ProVision Projector Cart™

Transform your learning space with the versatile ProVision Projector Cart™. Customizable for educational settings, it effortlessly creates dynamic displays, optimizing screen size with Epson® PowerLite 800F ultra short-throw technology for clear images up to 130"(16:9). Add audio for immersive learning and presentations.

*ProVision Projector Cart™ shown in Arctic White (AC)*

## **EASILY PROJECT WALL-SIZED IMAGES**

Supports Epson PowerLite ultra short-throw projector which includes 5,000 lumens of color and white brightness for stunning image quality\* updates to devices.

## **READY TO USE**

The ProVision Projector Cart™ comes fully assembly and ready to deploy.

## **ELEGANT, SPACE-SAVING PROJECTOR CART**

Blend technology seamlessly into your classroom environment with our compact projector cart, complementing any decor with its elegant design.

## **BUILT TO LAST**

Each unit is fully welded.  
Designed and built in the USA.

\*Color brightness (color light output) and white brightness (white light output) will vary depending on usage conditions. Color light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118.

## YOUR PRODUCT. YOUR IDENTITY.

Choose from one of our 16 colors and personalize by branding with your own logo.

**ALL METAL CONSTRUCTION** | Quality construction built to withstand the rigors of daily use in the classroom
