CALIFONE

Listening First[™] Headset with To Go[™] Plug

Model 2810-TTI

THE SIGHTS & SOUNDS OF EDUCATION

Help your beginning reader succeed with their read-alongs with this Listening First headset. Purpose built for younger students and loaded with added safety features, this engaging tiger-themed headset is ideal for mobile and computer-based learning and language activities. Its To Go plug makes this headset an innovative choice for how testing can be done to meet **English Language Arts (ELA) requirements** within the Common Core State Standards.

- 1. Adjustable headband for personalized fit
- Smaller overall headband to fit younger children
- 3. Rugged ABS plastic construction for classroom safety
- Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
- 5. Volume control for individual preferences
- 6. To Go plug connects with iOS & Android-based mobile devices
- 7. Flexible electret microphone
- 8. Ambient noise-reducing earcups lower outside noise so volume does not need to be as high for hearing safety. keeps students more on task
- Protective slotted baffles inside the earcups cover the speakers and help prevent accidental damage from prying fingers & foreign objects
- Two-year warranty for school use unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools.
