

3068 Headset with To Go Plug Model 3068MT

CALIFONE® INTERNATIONAL LLC. | THE SOUNDS OF EDUCATION | 800-722-0500 | CALIFONE.COM

The 3068 headset delivers performance at an economical price for 1:1 learning and assessments.

The noise-reducing microphone captures a student's verbal response - not their neighbors, making it idea for language learning, library uses, and in computer labs.

The audio playback is calibrated to enhance the tonal range of the human voice in language learning.

Compatible with Chromebooks®, iPads, iPhones, Galaxy, Surface, laptops, desktops, & MACS. [Click to read more.](#)

3-Year Commercial Warranty

[Covers use in schools, which is considered to be a commercial / industrial application. The warranty on headphones made for consumer use is voided if used in schools.](#)

Features

1. Padded headband comfortable enough for extended wear
2. Fully adjustable to fit all sizes
3. Noise-reducing circumaural earcups lower external noise so volume needn't as high, for hearing safety
4. Steel-encased boom with noise-reducing mic swings up alongside the headband when not in use
5. Reinforced entry point of the cord into the earcup
6. 4-pin, 3.5mm To Go plug works with popular devices
7. 6' straight cord long enough to avoid accidental pull out
8. Inline volume controls ideal for use in assessments
9. Slotted baffles protect the inner speakers from damage
10. Rugged ABS plastic headstrap and earcups resist breakage in high-use situations, replaceable leatherette ear cushions
