# JELCO Executive Roller Bag/Carry Bag for Projector and Laptop

## JEL-3325ER/JEL-3325CB

The JELCO Executive Roller Wheeled Case and Executive Carry Bag once again set the standard for compact projector cases.

Designed to meet U.S. airline carry-on regulations, this stylish, water-resistant, black ballistic nylon case protects notebook-sized projectors and laptop computers including those with 16" LCD screens.

Rigid ABS plastic in the walls and high-density foam around the projector and laptop cushion impacts and absorb shocks. Four separate compartments, for projector, laptop, tablet, and files and extra accessories. Velcro straps secure both the projector and laptop in their own compartments. A zippered compartment, located on back of the case, is included for airline tickets. The carry bag also includes a trolley strap that can be used on the extension handle of a suitcase.

### JEL-3325ER only:

The comfort grip handle locks at 39" or 44" heights for comfortable pulling. Its corner mounted "in-line" skate wheels with self-lubricating bearings give you silent, tip-free rolling.

Or choose between the removable curved non-slip padded shoulder strap or comfortable carry handle when needed. Corner mounted front legs allow for stability when parked in a vertical position.

## Features & Specifications

- Airline Carry-on Size
- Four Separate Compartments
- Can accommodate laptops with 16" LCD screens
- Two Position Locking Extension Handle: 39" or 44" (roller only)
- Padded Shoulder Strap

### JEL-3325ER Roller Bag

- Dimensions (L x W x H): 16" W x 16" H x 9"
- Weight: 8 lbs

### JEL-3325CB Carry Bag

- Dimensions (L x W x H): 16" W x 14" H x 9"
- Weight: 5.5 lbs
