Product Description

Protect the sensitive information on your screen while also protecting your vision and the screen itself from scratches and damage with a Laptop Privacy Screen. They're great for airplanes, coffee shops and other public places where wandering eyes might be able to see what's on your laptop screen. The thin privacy screen limits the field of vision to +/- 30 degrees and attaches with tab holders you place around the edge of your laptop screen. The privacy screen also reduces harmful blue light by up to 30 percent.

Features

- Protects the screen from scratches and damage

- Frameless tab holders let you easily insert and remove from your laptop screen

- Reduces harmful effects of blue light by up to 30%

- 16:9 aspect ratio for a great fit

- Screen cleaning cloth included

- Limits viewing angle +/- 30° which is convenient to hide personal or confidential information in public settings
