logitech G

Logitech G Yeti GX Dynamic RGB Gaming Microphone with LIGHTSYNC

PLAY WITH DYNAMIC SOUND

Yeti GX is a premium RGB gaming mic powered by LIGHTSYNC and designed specifically for game streamers. Combining a custom dynamic with advanced software, this USB microphone rejects noise and key clicks, improves your sound, and ensures consistent high-quality audio while you stream.

WHAT'S IN THE BOX

- USB microphone
- Removable desktop stand
- Adapter for ⨍" and ⨍" boom arms and mic stands
- 2 m USB-C to USB-A cable
- User documentation

FEATURES

- Be Dynamic: The Yeti GX is a premium RGB gaming mic powered by LIGHTSYNC, with a custom dynamic capsule and advanced software that deliver serious audio performance via USB
- Dynamic Mic Capsule: Designed specifically for gamers, the new broadcast-style dynamic mic capsule uses a supercardioid pattern that ignores key clicks to focus on your voice
- Dual RGB Zones: Use LIGHTSYNC to control two separate RGB light zones on the mic and sync them with other Logitech G gaming gear in G HUB for a fully immersive experience
- Blue VO!CE Filters and Effects: Enable Smart Audio Lock and other studio tools; add Blue VO!CE filters, effects and samples to entertain and engage your audience on stream
- Smart Audio Lock: Smartly adjusts your gain by using an analog limiter to prevent clipping and a downward expander to reduce ambient noise
- Sleek, Gamer-Friendly Design: The Yeti GX is a studio-quality USB gaming microphone with the bold, clean aesthetic of G gaming gear — it looks great on your desk or mounted to a boom arm
