

DSX750

Display Size
32"-60"*

Media Player Holder Accessory

FOR 32" TO 60" DISPLAYS*

*Maximum display size is contingent upon attached mount maximum weight. Contact your Peerless Customer Care Representative for specific model maximum load capacity.

Quickly, securely and inconspicuously house a media player control device with Peerless' DSX750 Media Player Storage Accessory. Compatible with a number of Peerless swivel and articulating wall mounts, or can be used as a stand-alone flat wall mount, this media enclosure eliminates problems associated with securing the media device with tape or straps behind the display or installing it remotely in a wiring closet. The DSX750 fits between the display and the mounting plate, coupled for a neat appearance and one-stop installation and access.

The DSX750 offers built-in cable management, security and prop-open service access features critical for easy maintenance.

Additional Features

- ✓ Houses media control devices behind the display within an enclosure - storage space up to: 9.5" x 7.75" x 2.5"(241.3 x 196.8 x 63.5mm)
- ✓ Compatible with a variety of Peerless pull-out and articulating wall mounts
- ✓ Direct wall mount option with single-stud attachment
- ✓ Nylon belt strap inside mount holds media player securely in place
- ✓ Landscape or portrait display orientation
- ✓ Compliant with VESA® mounting hole patterns 100 x 100, 200 x 100, and 200 x 200mm, additional patterns supported with adaptor plates

Prop-open service access

Rear view with display and SP850 pull-out wall mount
