Display size
up to 75"

Max load
225lb (102kg)

SMARTMOUNT.

Ceiling Mount

FOR UP TO 75" DISPLAYS

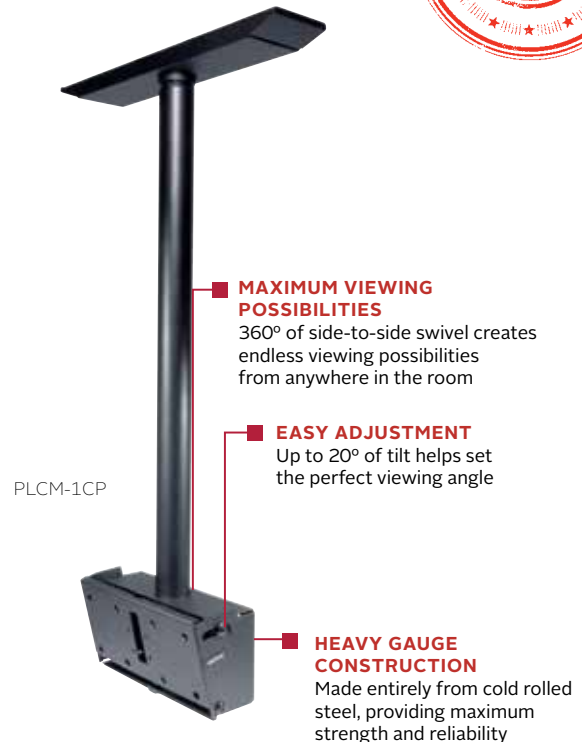

Peerless-AV's PLCM flat panel ceiling mount products and components utilize a 1.5" NPT pipe for versatility, support and connection. The 1.5" NPT threaded pipe make it simple to customize each mount to your specific application. The PLCM-1 kit combines the PLCM-2 tilt box and a fixed length 1.5" NPT column to deliver a drop of 30", 20° of adjustable tilt and 360° of swivel. When combined with a Peerless-AV ceiling plate, and a universal or fixed display adaptor plate, it creates the perfect combination for flat panel ceiling mounting for sports facilities, airports, lobbies or retail environments.

PLCM's 360° of side-to-side swivel helps create the best viewing angle from anywhere in the room.

Additional Features

- ✓ 0° to 20° adjustable tilt and 360° swivel
- ✓ Standard 1.5" NPT pipe included providing a 30" drop
- ✓ Simple hook-on display installation
- ✓ Integrated cable management protects, contains and conceals cables for a clean, professional installation
- ✓ Requires universal or dedicated display adaptor plate to be purchased separately
- ✓ Mount display in landscape or portrait orientation with dedicated adaptor plates

Dedicated Adaptor Plates.
PLP-V models, sold separately

Utility Patent Pending.
