

PCM150

Mounting Pattern
Up to 600 x 400mm

Max Load
150lb (68kg)

- Accommodates 100 x 100 to 600 x 400mm VESA® mounting patterns
- Simple Hook-and-Hang™ display installation
- Side-to-side adjustment allows for perfect display positioning
- 360° of swivel can be locked in place with included thumb screw knob
- Easily route all cabling through the extension column for a clean and neat installation
- Molded covers, molded extension column guides and a clean column face provide top-quality aesthetics
- Mounts to wood stud or concrete ceilings
- Can be mounted at a 90° angle to wood stud, concrete or cinder block walls
- Includes all necessary ceiling mounting and display attachment hardware

PARAMOUNT™ Universal Ceiling Mount Kit FOR 43" TO 90"+ DISPLAYS

The Paramount™ Universal Ceiling Mount Kit includes everything required for mounting a flat panel display onto a variety of ceiling types. Flat, sloped, wood or concrete ceiling installations are manageable with this flexible mounting kit. The 90° cathedral ceiling plate even allows the solution to be mounted to a wall. The kit includes an adjustable extension column that allows the display to be centered 39.59" to 63.21" from the ceiling. The lockable 360° swivel ensures the perfect viewing position.

Mounts on angled surfaces, such as vaulted or sloped ceilings

Mounts directly to wall structure when ceilings are too high

RoHS
