

# 12in Outlet Saver Extension Cord - NEMA 5-15P to 2x NEMA 5-15R

Product ID: PAC102

## Free up unused outlets

This twelve inch outlet saver extension cord instantly turns two larger power connectors into a single smaller, streamlined connector. The short extension cord with two NEMA 5 15 outlets maximizes the available space on your power strip, surge protector, or wall outlet.

## Organize Your Power Cables

The additional length provided by this one foot cord allows for cleaner cable management when connecting multiple powered devices.

## Durable Design

Reduce the strain on your wall outlets by connecting heavier power adapters through this 16 AWG 3 prong outlet extender.

## **The Choice of IT Pros Since 1985**

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

PAC102 is backed by a StarTech.com lifetime warranty and free lifetime technical support.

### Certifications, Reports and Compatibility

### Applications

- Extend the connection distance between your PC, monitor, laser printer or scanner

### Features

- Extender cable saves space and allows you to connect two power adapters to a single wall outlet
- This 12 inch power extension cord provides extra length for clean cable management
- Durable design for lifetime deployment
- Rated to carry 125V at 13A
