

# Wireless connection for Projectors/HDTV

Part # VW-4PHS

## What does it do?

SUPPORTS  
**STREAMING  
VIDEO  
WITH AUDIO**

It wirelessly enables any projector & HDTV. Ideal for classrooms and conference areas for PowerPoint & real-time video and audio presentations. It allows any Windows Mobile or PC/MAC with Wi-Fi to access the projector or HDTV. This new WPS, also includes new added features like Sidepad, Browser Slides, Wifi-Docs, and Peripheral Control.

## WXGA/HDMI Presentation System

with Remote Desktop Control  
1080p Video Streaming and  
supports Touch Screens

Connects to any projector/HDTV with a VGA or HDMI port and can be shared with multiple computers. Easy plug-and-play installation with auto-sharing. Single-module design and has log-in protection that provides secured access to the projector/HDTV.

## Specifications
