

## juice pack air<sup>®</sup>

Slim, protective battery case with wireless charging.  
Made for iPhone X.

UNIVERSAL  
WIRELESS CHARGING

**30** HOURS OF  
BATTERY<sup>\*</sup>

### EXTRA BATTERY

Rechargeable battery case provides up to 30 total hours of talk time with the push of a button.

### Qi-ENABLED WIRELESS CHARGING

Works with Qi wireless charging systems like those available at coffee houses, in furniture and many new cars.

### PRIORITY+<sup>®</sup> CHARGE & SYNC

Provides power to your iPhone first before the juice pack battery starts to recharge.

### LOW-PROFILE DESIGN

The slim, lightweight design feels great in your hand and provides superior, edge-to-edge protection.

### Key Selling Points

- The juice pack battery delivers enough power to extend the life of your iPhone X up to a total of 30 hours.
- Use the juice pack battery case with any mophie charge stream™ wireless accessory and enjoy effortless wireless charging at home or in any vehicle.
- High-impact protection features internal rubberized support pads inside a hard-shell case.
- Raised corners provide added protection against scratched and cracked screens.
- The thin, light-weight design is so comfortable in your hand, you'll forget it has a built-in battery.

Compatible with all mophie wireless accessories.
