AVerCharge T18

18 Device Compact Charging Tower

- Simultaneous power strip charging
- Advanced cable management system
- Small footprint
- Ships fully assembled
- Wall mount kit included
- Unsurpassed customer support & warranty

AVer

T18 comes preassembled and ready to charge in the most compact design yet. Taking up minimal classroom space with its vertical design makes this tower the perfect device management system for classrooms needing a fixed charging solution.

Efficiently Compact

The smallest footprint at 18.5" wide leaves more space for interactive learning, while supporting 18 laptops, Chromebooks, or tablets up to 16".

18.5"
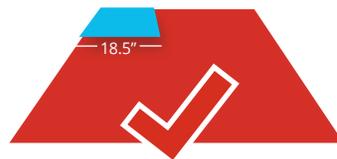

Integrated Cable Management

Built-in locking cable clips on both sides of the tower, create an organized and efficient cable management system located at the front for smooth access to quickly plug and unplug devices.

Ships Fully Assembled

T18 comes preassembled, ready to instantly start charging devices, and mounts easily to the wall for increased security and stability.

Effortless Charging

No programming or monitoring needed, and devices are simultaneously charged without worry of circuit overload.

Unmatched Service & Warranty

The T18 includes AVer's best in class service and warranty program with technical support and onsite repair, along with a 10-year mechanical and a 5-year electrical warranty program.

10 Year & 5 Year

Compatible with All Classrooms

T18 is a universal solution that is adaptable to mixed learning, 1:1, and BYOD making it a perfect charging tower for any learning environment.

Specifications

Device Capacity	18	**Slot Size**	12.6" (W) x 17.72" (D) x 2.36" (H)
Support Device	Devices up to 16"	**Charging Type**	Simultaneous power strip charging
Sync Type	N/A	**External Power Outlets**	N/A
Tower Dimension	18.5" (W) x 20.1" (D) x 57.9" (H)	**Package Dimension**	63.43" x 23.78" x 24.53" (1 in 1 w/o pallet) 63.98" x 24.41" x 30.24" (1 in 1 with pallet) 63.98" x 28.35" x 30.24" (2 in 1 with pallet)
Net Weight	132.28lbs	**Gross Weight** (with Packaging)	153.32lbs
Power Specification	100-120V ~50/60Hz, 12A	**Adapter Management**	9 fixed adapter shelves: 2 adapters per shelf
Cable Management	Built-in locking cable clips on both sides of the tower. Cable security channel underneath shelf.	**Front Door Security**	3-Point mechanism with padlock hole
Door Hinge	**Left Door**: 265 degrees **Right Door**: 180 degrees	**Cable Management Right Door Security**	3 M4 screws
