

MAKERSPACE 3D PRINTER CART

3D printing organized and simplified.

Mobilize your 3D printing capabilities with this colorful and functional cart.

MAKERSPACE 3D PRINTER CART

- 3D printing gets simplified and organized with closed storage, sturdy casters, accessory shelf, and visible filament spool storage. 3D printer not included.
- Coordinates with the Hierarchy line of classroom furniture with the purchase of handles in a choice of bright and fun colors. Cart comes with standard black handles, and uses two large and one small handle.
- Detachable side shelf creates extended work surface or can be stored on the side of the cart for quick access. Measures 18.1"W x 18.1"D.
- Includes four stationary shelves and five clear tubs with lids (three small, two large). Locking tambour door keeps technology secure while stored.
- Six hooks provide ample storage for 3D printer filament reels.
- Durable, washable gray nebula laminate exterior features platinum ABS edgeband and commercial quality 3" skate casters (two locking).
- Covered by a 12 year limited warranty.
