Punctuate your Modern Classroom with AVer Solutions

Winter/Spring 2020

About AVer

AVer is an award-winning education technology solutions provider with a core focus on enhancing student – teacher engagement, inspiring information understanding and retention, and classroom device management and storage to protect one-to-one assets. From a full line of interactive document cameras to device charging carts and cabinets, AVer has a solution to fit any classroom need and requirement.

Why AVer

From the moment your partnership with AVer begins, we are dedicated to providing you with exceptional solutions combined with best-in-class service, support and relevant classroom resources in order to ensure our products have the maximum impact to your lesson delivery and your student reception. From free on-site professional development, to online webinars, training videos, and even lesson plan resources, AVer helps to enhance your classroom applications of our products. Combined with free US-based, live phone, email and chat technical support, AVer has you covered from start to finish.

- Available on all platforms (Win10, OSX, iOS, Android)
- Supports all new & existing AVer document cameras

DEVICE CHARGING SOLUTIONS

Intelligent classroom device charging solutions to keep your classroom devices running and secure.

X12

12 Device Stackable Charging Cabinet

Part #: CHRGEX012

- Safely Charge up to 12 Devices up to 15"
- Small Footprint to Save Valuable Classroom Space
- Patented Cable Management System for Easy Adaptor Changes
- Accommodates all Brands and Models of Adapter
- Stackable and Wall Mountable

Not available in Canada

C20i

20 Device Intelligent Charging Cart

Part #: CHRGE20i

- Charge up to 20 Devices up to 16"
- Intelligent Charging Protects from Circuit Overload
- Small Footprint, only 27" Wide Saves Valuable Classroom Space
- Exclusive Cable Management System
- Customizable Dividers Makes Placing and Pulling Devices Simple

T18

18 Device Compact Charging Tower

Part #: CHRGET018

- Safely Charge up to 18 Devices up to 16"
- Small Footprint, Only 18.5" Wide to Save Valuable Classroom Space
- Integrated Cable Management for Smooth and Easy Access
- Simultaneous Charging without Over or Under Charge
- Ships Fully Assembled

B30

30 Device Charging Cart

Part #: CHRGEB030

- Charges 30 Devices with up to a 14" Screen
- Compact and Lightweight Design to Save Space and Easy Mobility
- Simultaneous Charging for Even and Safe Powering
- Easy Cable Management for Simple Maintenance
- Secure with Locking Front Door and Two Keys Included

X30i

30 Device Intelligent Charging Cart

Part #: CHRGEX30i

- Charge 30 Devices With up to a 15" Screen
- Intelligent Charging Technology Knows Which Devices Need Charging
- Patented Cable Management Makes Changes Simple
- Small Footprint Saves Valuable Classroom Space
- Supports Multiple Device Brands and Models

E36c+

36 Device Efficient & Economical Charging Cart

Part #: CHRG36C+

- Charge 36 Devices with up to a 15" Screen
- Intelligent Charging with Easy Cable Management
- Supports Multiple Devices and Brands
- Economical Without Sacrificing Quality
- Small Footprint with Easy Maneuverability

C36i+

36 Device Intelligent Charging Cart

Part #: CHRGC36i+

- Charges 36 Devices With Up to a 15" Screen
- Adaptive Intelligent Charging with Additional Outlets for Other Devices
- Smart Cable Management Makes Maintenance Simple
- Customizable Slot Dividers to Accommodate Different Devices
- Smooth Slide-Out Shelves for Easy Pulling and Placing

X42i

42 Device Intelligent Charging Cart

Part #: CHRGEX42i

- 42 Device Charging Cart Supporting up to 15" Screens
- Intuitive Charging Knows the Most Efficient or Best Charging Sequence
- Advanced Cable Management Makes Maintenance Simple
- Safe and Secure with Front and Back Combo Locks
- Direction Casters Make Mobility while Wheel Locks Keep it Stationary

“

AVer products are high quality with excellent support and training. There are many video tutorials available and, when needed, product support will hop on a call with the customer to educate them. AVer is responsive to customer needs and listens to make improvements in their products. AVer is innovative and always looking to improve products, service and education.

”

Nancy Corner, REMC SAVE Bid Project Director
