## Take Your Learning Experience to the Next Level

At AVID, we're with you at every step of the student journey. As we continue to connect millions of K-12 students with our award-winning 30 and 50 Series audio solutions, we are proud to introduce the dynamic 70 Series and take the learning experience to the next level. Developed to strengthen communication and listening for older students, the AE-75 headset promotes student focus and engagement.

### Benefits

- Deluxe ear padding comfortably surrounds the ear for extended comfort, while maximizing noise reduction for a distraction-free experience.
- Universal functionality across leading devices, communication platforms and learning applications.
- Oversized ear cup houses a larger speaker surface for an enhanced and engaging listening experience.
- Streamlined microphone cancels out the background noise and pinpoints sound one inch from your mouth.
