

PROMASTER®

XtraPower

USB Charging Kit

Thank you for your purchase of a PROMASTER XtraPower USB Charging Kit.

The XtraPower USB Charging Kit will allow you to charge or power most standard USB devices from an AC power source.

This package includes the AC power adapter as well as USB charge/sync cables for iPod/iPhone (not compatible with iPad), mini USB and micro USB devices. Be sure to check the charging requirements of your USB device for correct compatibility before using this charger.

AC Power Adapter

iPhone/iPod
(not suitable for iPad)

Mini USB
Devices

Micro USB
Devices

OPERATION

- 1) Plug the AC power adapter into any 110 – 240v AC power outlet.
- 2) Plug the matching sync cable (either as supplied or the one you currently are using with your USB device) into your device and then into the USB port on the AC power adapter.

SPECIFICATIONS

Input: 100~240VAC for worldwide compatibility

Output: 5VDC, 1A sufficient to power most USB devices

CAUTIONS

- * Do not store, place or use the charger where it may come into contact with water or moisture.
- * Do not disassemble, deform or reconstruct any part of the tester.
- * Always follow the recommendations from the manufacturer of your USB device for proper charging procedure.

LIMITED WARRANTY

This product carries a full one-year warranty from date of purchase against defects in materials and workmanship. This warranty does not cover damage resulting from accidents, misuse, unauthorized repair/alternations to the product or failure to follow operating instructions. If the product should become defective within warranty period and under the above-mentioned conditions, please return it to the store you originally purchased it with proof of purchase for repair or replacement free of charge.
