# Infinix SCM™
Pro Ceiling Mount.

Professional Mounting Solution designed for quick installation into any standard suspended ceiling.

Everything You Need. Designed to make every installation a breeze, the Recordex Infinix SCM kit includes everything you need to complete a professional, efficient, installation of nearly any inverted video projector into a standard suspended ceiling grid. The kit includes one universal mount (500UCM) with a 6" extension column (500C06), and one suspended ceiling tray (500SCT) complete with all required installation hardware, and a satin metal finishing ring. The entire kit is finished in décor friendly white. An optional plenum box is available.

KIT500SCM-BK (kit with black mount and column)

Infinix 500SCT Ceiling Mount Tray. The 500SCT provides for a clean, safe, and efficient way to install a video projector mount from a suspended ceiling grid by way of a 1.5" NPT extension column. The 500SCT is safe, lightweight, and designed for ease of install. Works with all standard ceilings, including 2' x 2' and 2' x 4' grids, in Mexico, Canada, Europe, and the US.

Infinix 500UCM Universal Ceiling Mount. The 500UCM by Recordex offers clean, efficient installation of virtually any inverted projector on the market. The mount ships with four sets of industry standard mounting hardware to guarantee a match regardless of your projector brand. The décor friendly white finish will ensure a professional looking installation and the ten year manufacturer warranty will give you peace of mind. Rated for projectors weighing less than 50 pounds and certified for conformance to UL Standard 1678. Perfect for boardrooms, classroom, and houses of worship.

Infinix 500C06 Extension Column. The 6" x 1.5" NPT extension column allows for quick and easy connection of the universal mount and the ceiling tray. The column is hollow and extends the cable channel of the mount all the way to above the ceiling for simple, clean cable management.

Lots of Warranty At No Extra Charge. Our 10-year warranty backs up our commitment to quality with extra peace of mind at no
