T18LG3EBK

HamiltonBuhl has redefined what a true multimedia headset is! All-in-one and one-for-all, the Trios™ headset easily connects to any of your devices from dual PC plugs to one-plug Chromebooks and tablets! Yet another industry FIRST from HamiltonBuhl.

The Trios™ is the only headset you will ever need to connect with any of your devices: old or new, PC or MAC, tablets, smartphones and media players! The chew and kink-resistant Dura-Cord™ has been uniquely designed to split into the plugs needed to connect to all devices. The inline control switch allows you to select and activate the proper headphone (TRRS), or jacks (Dual PC) as you switch between your devices. Use it once; it will quickly become your go-to solution, eliminating the need to switch headphones.

In addition to the exclusive tri-plug Dura-Cord™, Trios™ features a deluxe over-ear design, folding headband, and a gooseneck microphone for maximum versatility. This stylish headset delivers superior sound quality with soft, leatherette ear cushions designed to provide excellent noise-isolation.
